

Our challenges | Your will to take responsibility

International AgroService Engineer (m/f/d)

We are seeking to recruit at the earliest opportunity an International AgroService Engineer (m/f) on a fulltime permanent contract. You will be part of the international AgroService team in the Business Unit Sugarbeet of KWS SAAT SE at Einbeck/Lower Saxony, Germany.

Your tasks:

- bringing in your agronomic and scientific expertise to advance together with our experts in breeding and phytopathology the KWS cultivation strategies for innovative sugarbeet varieties.
- shaping disease and pest management concepts for innovative highly resistant varieties including the potential integration of prognosis models, phenotyping methods, etc.
- development of innovative concepts for resistance management and stewardship.
- transferring these agronomic contents from science into practice.
- providing support to our international sugarbeet experts on crop production questions.

Interested? Then please apply [here](#).

Job posting number:

435

Your profile:

- University level agricultural science (M.Sc. or equivalent, Ph.D.) in plant production.
- Excellent practical expertise in crop production esp. in sugarbeet cultivation plus agricultural business management skills.
- Experienced in pest and disease control in arable crops, with affinity for digital tools.
- Creative/inventive personality with good communication skills, open minded and target oriented.
- Professional written and verbal English; Language skills in German or French are a plus.
- Willingness to travel internationally.

Address:

KWS Berlin GmbH
Human Resources, Anna M. Godek
Potsdamer Platz 8; 10117 Berlin, Germany

About KWS:

KWS is one of the world's leading plant breeding companies. With the tradition of family ownership, KWS has operated independently for more than 160 years. It focuses on plant breeding and the production and sale of seed for corn, sugar beet, cereals, potato, rapeseed and sunflowers. KWS uses leading-edge plant breeding methods. 5.147 employees represent KWS in more than 70 countries. For more information: www.kws.com/career.
